

# techpacker

**THE FASTEST WAY**  
**" TO MAKE DESIGN DOCUMENTS "**

Hit Your Right Arrow To Begin!

**TECHPACK**  
— is —  
The ART  
of  
EXPLAINING  
& **ARRANGING**  
DESIGN *into*  
a  
DOCUMENT

# TECHPACK OR SPECIFICATION SHEETS are like bible of your design

**NEED TECHPACKS ?**

Your  
Design

How your Agent  
sees it

How your Factory  
sees it

How Sewing worker  
sees it

# Techpacker removes the communication problems and much more

*- Saral Kochar*

# HOW?

Visually make techpacks with less data entry. For designers, simple pick and drop and for factories, less guess work

Collaborate directly with multiple factories and keep all communication at one place

No more time wasted in Layouts. With ONE click, turn all instructions clearly organized in PDF.

Advanced card technology to easily manage, monitor and update hundreds of styles every season

Explore Thousands of cards made by designers around the world and use directly to your techpacks

Easy interface to jumpstart product development with NO manuals, NO downloads, NO updates, and F\*\*\* no Licenses required. Sign-up with Facebook too !!

# WHAT ELSE?

Upload unlimited images  
make unlimited techpacks

Collaborate with  
colleagues and factories

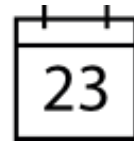

Send notifications and  
techpack directly to emails

Add spec sheets, manage  
fit samples

Responsive: use from any  
Browser\*, phone, tablets

Reporting, Time & Action  
calendar  
( COMING SOON )
